is in perfect keeping with their character. They pronounce my statement, which appeared in The Tribune of the lish inst. to be "unitrue." Do they proper it to be as 2. This they will know is impossible, and hence satisfy themselves in an easier way by valuantly defining me and all the morid with me to prove it otherwise. And yet, as if afflicted with a memory as short as their ill-will is lasting, they publicly thank me for an "acknowledement of the facts" in the case. As the Messrs. Parmly seem to have learned, though at rather a late day, that "prudence is the better part of valor, and have, therefore, very judiciously resolved to prosecute their newspaper warfare against me no farther, may I adder, which I have for greater cause to fear than any open attacks did sitf

SALAMANDER SAFES—in July last I purchased from
Mr. A. S. Marvin, No. 125; Waster street, one of Rick's
Improved Patent Salamander Salas, which was in the fire at
the burning of the Store No. 175 Water street, on the night of
the 7th instant, and I take pleasure in stating (because I think
the knowledge of so vaushle a safe, guard to every increbant
should be generally circulated that my books and papers,
which were in the above named safe, were preserved in perfect
order, there not being even the appearance of san-ike on them,
whist those contained in an old fashioned knot chest, which
stood within a lew feet of it, were almost entirely consumed.
